In Cooperation with the **Stone Bank Sportsmen's Club Inc.** is pleased to announce

Introduction to Shotgun Shooting Sports

June 1st 2013

These are non-competitive clinics designed to introduce men and women who have already received **some form formal firearms training** (i.e. - have attended ANY of Heritage Shooting's events OR any of the following: NRA FIRST Steps course, NRA Basic course, WI DNR Hunter Safety Education, or private instruction) to different shooting sports with proper instruction and focused on learning safety, additional practical handling and shooting skills with shotguns, and having fun in a social shooting environment. These clinics are intended for participants who have fired a shotgun previously and want to develop their skills further. You will receive one on one instruction and coaching from NRA Certified Firearms Instructors. This program addresses the most common question from individuals who have participated in our other events or courses – what can I do next to get better and more confident with a shotgun?

If you already own your own shotgun:

- You can participate in this event using your own shotgun and ammunition for a \$10.00 event fee.

If you do not own a shotgun:

- You can rent one of our shotguns and use the ammunition provided for a \$25.00 event fee.

**National Rifle Association
Certified Firearms Instructors**

Maximum of 8 Participants

Program Goals:

- To teach the basics of trap shooting through additional hands-on experience and to identify opportunities for individuals to further participate in those shooting sports to increase their skills and confidence.
- To provide participants who have already purchased a shotgun or are considering purchasing a shotgun and have already completed introductory instruction in shotgun shooting with the additional opportunity to gain experience and learn in a fun, relaxed social environment.

Each event will begin at 9:00am with a required range brief / safety instructional session and overview of the rules and procedures of each of the shooting sports beginning presented. Hands-on participation in those shooting sports will follow until 12 noon. Additional ammunition for rented firearms will be available for purchase should initial supply be consumed prior to the end of the event. Participants providing their own firearm and ammunition are encouraged to bring extra ammunition. Eye and ear protection will be provided if the participant does not have their own.

Mail completed registration form and your check payable to:
