Introduction to Pistol Shooting Sports

June 8th 2013

These are non-competitive clinics designed to introduce men and women who have already received **some form formal firearms training** (i.e. - have attended ANY of Heritage Shooting's events OR any of the following: NRA FIRST Steps course, NRA Basic course, another state's Concealed Carry course or private instruction) to different shooting sports with proper instruction and focused on learning safety, additional practical handling and shooting skills with pistols, and having fun in a social shooting environment. These clinics are intended for men and women who have fired a pistol previously and want to develop their skills further. You will receive one on one instruction and coaching from NRA Certified Firearms Instructors. This program addresses the most common questions from individuals who have participated in our other events or courses – what can I do next to get better and more confident with a pistol?

<p>If you already own your own pistol:</p> <ul style="list-style-type: none"> You can participate in this event using your own pistol and ammunition for a \$10.00 event fee. 	<p>If you do not own a pistol:</p> <ul style="list-style-type: none"> You can rent one of our center-fire revolvers (.38 Spl) or semi-automatic (9mm) pistols and use the ammunition provided for a \$40.00 event fee.
